TIME FLIES WHEN YOU ARE HAVING FUN!

Wow, just as we think the warm weather is here to stay... The white stuff reappears! I hope the last weekend in April makes it clearer. We are now into the final two months of the year and will have many activities, field trips and post assessments.

During the next two months we will be completing all our post assessments for literacy and numeracy. Once the students have completed these assessments, we will be examining data as a staff in order to improve student learning here at Judge Bryant. These assessments are extremely inte-

gral in establishing areas where students need the most support. As well, the data shows great progress students have made. Best of luck to all students!

We would like to continue the process for **Kindergarten registration**. If you are, or know of any families who plan to register for Kindergarten for the 2017—2018 school year, please have them come in and fill out a registration form. We will be having a Kindergarten Open House on **Thursday, June 1st, at 4:15 p.m.** This will be an

information session for parents and students to come to the school. You will have the opportunity to meet the staff and get more information on all the wonderful educational opportunities for your child(ren). We hope to see all our new Bears this day!

Have a wonderful May!
